

Product Data Sheet

OPTIER 4 Port Fast Ethernet PoE 10/100Mbps Desktop PoE Switch | 4 PoE+ Ports @65W | 2 Uplink Ports | Plug & Play | Sturdy Metal

About this item

4 PoE+ Ports with 65W Power Output: Supplies power and data over Ethernet to up to 4 devices, ideal for IP cameras, phones, and access points.

Fast Ethernet (10/100Mbps) Speeds: Delivers reliable network speeds for efficient data transfer and stable connectivity.

2 Uplink Ports for Easy Network Expansion: Allows seamless integration into existing networks with additional uplink connections for extended coverage.

Plug & Play Setup: No need for complex installation or configuration; simply plug in and start using.

Sturdy Metal Construction: Durable and reliable, designed to withstand daily wear and tear, ensuring long-term performance in both home and office environments.

Technical Details

Brand	OPTIER
Manufacturer	AZOAN TECHNOLOGIES INDIA LLP
Model	OPT-SE-04100
Product Dimensions	150 x 35x 70 mm
Number of items	1
Country of Origin	India
Item Weight	250 g
